

Individual loss components

- | | | |
|--------------------------------------|---------------------------------------|---------------------------------------|
| Equilibrium residual, x | Bottom displacement, u_x | Material-projected observation, u_y |
| Equilibrium residual, y | Bottom displacement, u_y | Boundary-projected observation, u_y |
| Constitutive residual, σ_{xx} | Top displacement, u_x | Boundary displacement anchors |
| Constitutive residual, σ_{yy} | Top displacement, u_y | Resultant reaction force |
| Constitutive residual, σ_{xy} | Material-projected observation, u_x | |
